4th October 2022

On behalf of LK Engineering & Hardware Pte Ltd, I would like to thank Lionel, Ivan, Ben and team for helping us throughout our journey of creating our own website. We strongly recommend Websentials as they are professional in their work, and answers quickly to all our queries. We are happy with the final outcome as it meets our expectations. Hope to work together again in the future. Thank you!

Best regards,

 

Darren Quek

Sales & Marketing Manager
